

Machine model	HH-RY320
Machine color quantities	1-8 colors
Maximum printing width	320mm
Maximum web width	330mm
Maximum unwinding diameter	600mm
Maximum rewinding diameter	600mm
repeat printing length	175-380mm
Total power	about 40kw
Registering precision	$\pm 0.10\text{mm}$
Die cutting station	one set
Waste paper rewinding device	one set
laminating device	one set
Total air pressure	0.6-0.8MP
Voltage	380V/220V
Machine weight	4200kg
Machine dimension	2800mm*1300mm*3650mm
